

2022

CELEBRATION REPORT

Celebration Report!

You have just opened our CELEBRATION REPORT! At the conclusion of each year, we compile a sampling of stories

and statistics that remind us that God has indeed been at work in and through our church family. I pray that you will carve out time to read through this report and may these words and numbers fill you with gratitude as you reflect on the many lives that have been touched by God, including your own.

As I reflect on 2022, I celebrate a year that was birthed out of prayer. We began the year by joining our larger Alliance family in 40 days of prayer. In addition to daily times of prayer, a small, but consistent group of people gathered on the first six Sunday evenings of the year to pray for our church and community. I believe these faith-filled prayers set the stage for a year filled with challenges and opportunities. I celebrate the class we offered in February called Sexual Integrity 101 and the Pure Desire groups that were launched as a result. Sexual brokenness and addiction have wreaked havoc in the lives of many men and women and I am so thankful that God has begun a powerful work of healing and freedom for people in our church family!

As we journeyed together through God's Word in 2022, three studies stand out. In March we began a slow walk through the book of Colossians in a series called *Greater Than*. Each week we were brought back to JESUS who is greater than anything and everything! In September we taught a brief series called *Together*, that literally brought us together each week around tables. After a prolonged season of isolation, I celebrate the sense of community that is easing its way back into our church family. Most recently, we completed a series that was very personal for me, entitled *The Rest of Jesus*. As I have battled physical and emotional weariness, I have rediscovered the rest of Jesus and from the feedback we have received, it seems that God is bringing renewal and rest to many in our church family!

As you thumb through the remainder of this celebration report, I pray that your heart will be filled with thanksgiving and praise to God and that it will prompt you to reflect on the ways that Jesus has been at work in YOUR life. May your gratitude spill over into hope for what God WILL do in the year ahead!

Thankful for Jesus and thankful for you, His Body.
-Pastor Jim

Kid Ventures

JOY!!! Reviewing a year of ministry is a fun endeavor and so many memories are beyond the capacity of this short update. But as I compared our report from 2021 to this year it became evident that God is at work making all things new.

As God brings renewal to our lives, He also brings joy. I invite you to look at the pictures and contemplate the joy you see exhibited. Then look for the seeds of joy in your own life. Joy is a fruit of the Spirit and is possible to have even in the midst of your struggle.
(James 1:2; Galatians 5:22) -Pastor Duane

New life brings joy and this year 19 children decided to receive Jesus as their Savior at VBS, many of them prayed around these snack tables.

The joy of winning the Candy Cane Face decorating contest at the Gingerbread Bash! Over 40 families signed up and many were from our community.

The Joy that comes from knowing who God really is. "God is Great, God is Mighty, God is Loving to Me, God is the BEST, He is Everything.

Eve and Kenzie along with family members and leaders sharing the Joy of 3 years of discipleship training as the team prepared to serve at VBS at Blodgett Community Church in Oregon

Early Childhood

Children's Ministry has been an exciting and fun place to be learning about Jesus, for myself and for the kids in the Sunday morning classes and at D-club! I've really been blessed by covering in Early Childhood for Hanna as she has been on maternity leave, enjoying the life changing gift of motherhood. -Roxanne

Serving together is an amazing source of joy. Over 105 people volunteered at VBS and over 35 volunteered each week in Kid Ventures classes. Each bring great Joy!

Mia, Ariana, and Mykaela sharing the joy of friendship as they hang out at Discovery Club.

The joy of play! LIT Josiah Moore having tons of fun with the kids at VBS!

5 year old Evelyn learned that because of sin, some of the people in Jerusalem were being taken to Babylon by King Nebuchadnezzar.

Diving into our activities, Evelyn set up camp in Babylon. She decorated large cardboard houses and "planted" gardens. She "built" her house outside the Babylon boundary that was in the classroom. When she was asked to move her house into Babylon "I don't want to go to Babylon! I want to stay here!". Evelyn was told that it was probably hard for the people in Jerusalem to move too. God wants us to trust Him even when it is hard, because He can be trusted. We reminded Evelyn of the message that God gave Jeremiah to comfort His people -that God's plans are for your good, that we can have hope and a future (even when things don't seem to go our way).

Most importantly Evelyn is learning about God's amazing love for her, and that she can place her trust in Him, because His love for her is so great.

Little Light Preschool

A child approached one of our teachers saying "I am scared for my surgery". Teacher says can I pray for you? In a quiet small voice the child says "yes." Teacher closes her eyes and prays with this child aloud, thanking Jesus for how much her family, her teachers, and Jesus love her. Asking Jesus to be with her and calm her heart and heal her body... when she says "Amen", the child asks "who were you dreaming about just now with your eyes closed?" Teacher smiles and says "I was talking to Jesus for you!" Child whispers "Wooooow!" and walks off with a beaming smile on her face! About 20 minutes later, child says "thank you for praying for me teacher!"

It is our greatest joy to serve Jesus and our community through our preschool. We get to be a light of God's grace and love to the children and families we serve.

-Ms Diona

We started the year off saying goodbye to 2 special ladies... Our dear Mrs. Holp. We miss her so much and are grateful for the love she shared with each child and family she encountered. I am thankful for the little notes in our curriculum in her handwriting. They have brought me much joy through the year. Mrs. Kachelle said goodbye this summer, taking a position subbing in the Arlington School District. She loved our little 3s/4s kiddos so well.

This year's staff is a blessing. Ms. Hannah continued on as our Owls AM & PM Pre-K Teacher, Ms. Luann took on the new role of our Lead 3s/4s teacher, and we welcomed Ms. Keshia and Ms. Roxanne as our new Owls Pre-K Assistant Teachers. Ms. Diona and Miss Heather complete this amazing team. We have been blessed with **80 students this year.**

Josiah Moore, one of SPCC's High School students and Eagle Scout, spent the summer brightening up our playground for his Eagle Scout project. He created **2 new play areas** that the children absolutely love.

Little Light gave **\$2700** to a preschool in the Philippines.

We had approximately **480 attendees** at our Christmas Programs and it was a delight to have the room so full as the children spread the message that Jesus is the reason for the Christmas season.

Looking forward, we are excited to have two weeklong summer day camps for preschoolers this summer to raise funds for scholarships and improvements in the classroom.

Registration for Fall 2023 is in full swing and we are praying expectantly for full classes next year! We pray the seeds we have the privilege of planting in little hearts grow into deep relationships with Jesus in the future!

RTI North Sound

Our on-campus ministry school, Reach Training Institute has been such a blessing! God has a great future in store for each of these students! We have 3 Seniors and 6 Sophomores.

Currently, our Sophomores are taking classes in Preaching, Theology, Alliance Culture and Theological Distinctives, while our Seniors are taking courses online with Crown College, MN. Alongside reading textbooks, classroom discussions, and writing papers, our students are learning to "test-drive" ministry through practicums. Some of those include youth ministry, community outreach, missions event coordinating, and guest preaching. These practicums are taking place in 5 different churches.

It has been fulfilling to see our students growing spiritually and being equipped with practical ministry skills. -Pastor Bryce

"When I finish schooling through RTI, I hope to be a pastor in a Western Washington C+MA church."

-Jake

"RTI has challenged me spiritually in helping to meditate on scripture and quiet my soul before God. I am still a work in progress."

-Dave

"What I would tell someone who is interested in full-time ministry and considering RTI is that you will grow spiritually and emotionally in this cohort model. The classes are interesting, and challenging, contributing to significant personal growth. As classmates, we have become support systems for each other, whether regarding our homework or encouragement in our personal lives."

Dr. Michael Wedman + our Sophomore class

"What I have enjoyed most about my RTI experience is seeing the faithfulness of God, walking with me through this journey. I was fearful to go back to school because I knew it was a huge challenge. God has helped me overcome so much fear, and I look forward to what He will do in RTI and beyond."

-Diona

"RTI has challenged me spiritually, and now I have begun practicing spiritual disciplines that not only have helped me in completing assignments but also have grown my relationship with God."

-Timothy

"Through RTI, I have seen God change me by giving me a love for reading, study, and learning."

-Ana

Looking ahead in RTI, we are recruiting students for our next cohort this coming Fall. We are hosting numerous Open House events for anyone interested in learning more. And our annual RTI fundraiser is scheduled for April 21!

A letter we received...

Dear Bri Carroll and Smokey Point Community Church,

We want to thank you for the overwhelming and wonderful donation that you made to the students in Arlington Public Schools. We are truly amazed by your generosity and your continuous actions to partner with us in the welfare of our students.

The care and comfort of our students is of utmost importance to us and the snacks that you have provided not only help us in this effort but also show us you feel the same way about our students.

Without your donations, we would not be able to offer this to our students. We rely on the community to help us with the continuous responsibility of feeding and caring for our students.

Once again thank you so much for your generous donation! ~Kari at Arlington Public Schools

Safe Harbor

The Safe Harbor Smokey Point location officially opened on September 22, 2022—serving the uninsured and under-insured in our community. Partnering with Safe Harbor in Stanwood, the ‘little red house’ at SPCC was **open 8 evenings** in 2022.

3-5 Volunteers served each Thursday evening

2-4 Patients received medical care each evening (and that number is growing!)

“He heals the broken hearted and binds up their wounds.” Psalms 147:3

I am so blessed to be part of a ministry which does this. I have been volunteering with Safe Harbor for a year. I trained at the Stanwood clinic, and when the clinic expanded to SPCC, I became part of the volunteer staff there. I volunteer as a receptionist, managing paperwork and greeting the patients. What I love the most is interacting with patients alongside the chaplain, getting to know a little about them and helping them to feel more comfortable.

I also enjoy getting to know the other clinic volunteers—doctors, nurses, and chaplain. As we all have the same mission, we can have fellowship with each other and pray for the patients. Together, we can be God’s hands and feet to “heal the broken hearted and bind up their wounds.”

Connections

96 pounds of coffee purchased to keep our church family caffeinated

44 team members welcomed guests, brewed coffee, and made our church services run smoothly

Many Welcome Guides passed out to first time visitors!

Kris and Joyce first visited SPCC in November 2021. Kris retired from serving as Lead Pastor of Camano Chapel after 25 years. Wanting to provide a smooth transition for their congregation, Kris and Joyce chose to find a new church home.

They visited a few churches in the area, including SPCC. Kris said “we were so warmly greeted and welcomed on that first day [at SPCC] that we felt very at home. After service was over we knew that we had found the right place for us. Then we received a few emails and texts from the office staff. SPCC did an outstanding job of welcoming us, making us feel at home and then following up in the connection process.”

It's not often that a retired Pastor and his wife visit us in search of a church to call home but we are so blessed to have them here. We've been blessed to have Kris step in to preach on different weekends as well! Please welcome them to the family the next time you see them.

Our Usher/Greeter team is always looking for volunteers to join us in welcoming those who visit. If you have a heart for that, we'd love to talk with you! -Mark Milan

Kris + Joyce Kramer

188 "hello from the church office" calls or texts made by Ashleen, our Welcome Team Coordinator

In 2022 we leveled up our Connection Team by forming a new Welcome Team. The Welcome Team has focused on connecting with people beyond the hello handshake. Following Jesus' example of engaging in conversation, we have a team in our weekend service looking for faces they don't know. Friendly, spirit-led conversations help people feel seen and cared for. Through remembering names, asking follow-up questions, or inviting folks to coffee, God has moved in sweet ways to increase the warm and welcoming culture of SPCC.

Also, when people from our community sign up for events like VBS or the Gingerbread Bash they get an intentional follow up text too!

When folks use a weekend service connection card to request information or ask for prayer, Ashleen will call, text, email and use any means necessary to make sure they get a personal "hello!" Not only do they feel personally cared for, these conversations often end up connecting them to other ministries or happenings on campus.

God has been using these new Welcome Team efforts to make our church feel even more like family!

Missions

We asked our International Workers to share some things that happened in ministry this last year as well as some ways we can be praying!

Kern Family

MINISTRY

- > Tuberculosis (TB) ministry was started at two villages and 3 employees.
- > We were able to start work in a village even though the leader wanted money.
- > We were asked to screen everyone in a commune (a commune is made up of villages. This commune has 11 villages).
- > A small group was started that has been going through a combination of Firm Foundations and the Righteous Road.

PRAYER REQUESTS

- > That we would be able to learn the local language.
- > To continue to run a quality TB ministry.
- > Wherever we go in the TB ministry that small groups would form to go through FF/RR.

Jorgenson Family

MINISTRY

- > Consistent discipleship started with the school staff.
- > Hired a local spiritual care coordinator.
- > Opportunities to share with churches, women's ministry, students and youth.
- > Refocused the Schools toward the vision/purpose - sharing the Good News among the refugees.
- > Opportunities to walk alongside brothers and sisters in Christ through many joys and losses.

PRAYER REQUESTS

- > That God would continue to grow the hearts of the staff to disciple students and families.
- > That our family would transition well back to the states when we return in May for our one year home assignment.
- > For our spiritual care coordinator, that God would increase her passion and give her a burden for loving well and walking alongside the school families.

Barnhart Family

MINISTRY

- > Held a conference for local teachers.
- > Started a "Tutor Time" where students can come and interact with us, giving more opportunities for relationships.
- > Graduated around 35 students who now have heard the story of who Jesus is.
- > Invited two students to start studying the Bible.
- > Deepened relationships with women at English Club and grew in boldness to share the gospel.

PRAYER REQUESTS

- > That our personal abiding with Jesus will be our first priority. Pray for desire, discipline, and devotion.
- > For our work to be multiplied. With some team members away, we want to maintain all the opportunities to interact with students.
- > For boldness to share about Jesus with neighbors, friends, students, and employees at places we frequent.

Goheen Family

MINISTRY

- > Started a leadership training program with 14 guys and 6 ladies.
- > Completed a teacher's training course.
- > Began a new literacy class with teens and young adults.
- > Taught the book of Mark and begun the Bible overview story again. Very cool that people are understanding many details they missed the first time in 2019.
- > 7 Home fellowship groups meet twice a week for singing, prayer and listening to scripture.
- > Field trip with a group of youth girls. For some, it was their first time riding in a car and seeing the ocean.

PRAYER REQUESTS

- > For C and L to return from their home country as soon as possible. Health issues have delayed their return.
- > For strength and endurance. Life is hard here and often leaves us feeling drained.
- > Pray for the local believers that they would learn to love each other.

Let's Do Donuts

October 9, 2022 marked the start of our Let's Do Donuts class. On Sundays at 8:45am, people have been gathering for an hour for teaching, discussion, and, yes, donuts. This class has been a great place for people to make connections in a relaxed environment. If you're looking for some no-pressure weekly fellowship, we'd love to see you there. We'll save a donut for you!

12 dozen donuts eaten

I love the Donuts and conversation group. The space to get to know people in a casual setting where we get time to chit chat and get to know each other personally has been wonderful! Add to that a more structured (but still casual) Bible Study time where we get to talk about God's Word together. It has been a wonderful way to plug into the church, get connected, and grow in my faith!
-Elizabeth Scriven

Life Groups

Since the beginning of the Covid pandemic, life for our Life Groups has been a struggle, to say the least. In February 2022, the Covid mask mandate in Washington ended. As we have slowly navigated the "post-Covid" landscape, we've seen a gradual increase in people returning to church attendance and small group involvement. People seem hungry for the connections they've missed and for the family environment here at SPCC. While we're nowhere near pre-Covid involvement in our Life Groups, we're on the mend. It has been encouraging to see three new groups launch this fall as well as growth in some of our existing groups. If you're looking for a place to walk with people at a deeper level, a few of our groups still have room for new people.
-Pastor Tim

101 people met weekly in
13 Life Groups

What led me to take the step to lead a new Life Group?

From past leadership experience, I have learned how important being in a small group is to becoming connected to the church body. Shortly after arriving at Smokey Point six year ago, we participated in the "Supper for Sixish" activity and then joined a Life Group. After over 25 years in church leadership, it was a nice change to take a step back and just be a member. However, when Tim put out the call for new Life Group leaders, I felt called to respond. I find my own spiritual growth is affected by the accountability of being responsible for the care of others. Although our group is just starting up, I look forward to each evening that we spend together. Thank you for the opportunity to serve.

25 ladies enjoyed hours of rolling dice and yelling BUNCO!

Women's Ministry has a special place in my heart. The Lord led me to women's ministry during a hard season. Studying God's word and connecting with other women brought me such hope in that season. I looked forward to Bible study each week and women's events. As I continued to grow in my walk with God, I knew I wanted to serve in this area. I prayed and let God lead and he opened a door for me to serve on the leadership team. One way I love to serve is welcoming each person and their family. It is so important that everyone feels welcomed and loved. I also love to pray and encourage others in their walk with the Lord. I love serving in this ministry!

2 phenomenal pastors rocking their emcee duties at the auction

Thank you church family for 15 amazing MOPS auctions! Our 2022 auction was a sweet way to wrap up this annual event! So many hilarious themes, so many incredible emcee highlights, and so many years of faithful support from so many of you! Our MOPS and MOMSnext ministry is still going strong and supporting moms & families... our need for the auction just came to an end. Thank you again! -MOPS Leadership Team

"I honestly don't know how I did mom life before MOPS and the women in it! In an age where social media and technology reign, we see posts of false perfection and unrealistic expectations that are placed on moms daily! The consequences being that we feel judged, divided, lonely, and like we are failing as moms.

MOPS is our place to come together as REAL women; messy and imperfect, in sweatpants or heels. From different backgrounds, experiences, trials, and age groups, and let ourselves be open, honest and vulnerable without judgment! Amen! We lean on, learn from, laugh with, and love each other. A beautiful and uniquely designed tapestry of women woven together by Jesus to do life together! I am so grateful to God for providing such a safe and strong community for us mamas and our children."
-Brooke Rogers

“Through MOPS I have experienced positive community. It extends past our time on Thursdays. Walking into church on Sunday morning and sitting with these amazing women (and their families) has become one of my favorite times of the week. We have play dates regularly and spend our time caring for each other. We have moms who know God and those who don't. But there are no issues speaking freely about how God is working through lives and praying. Another thing I love about the MOPS community is that it's open. Moms are always inviting other moms to join and experience the community we have. After the pandemic so many MOPS groups have had to dissolve or move to nights only (because childcare is an issue). Instead we have been able to expand and now meet twice a month in the morning and once a month in the evening. I never thought I would take a role in leadership but God has paved the way for me. He has cleared the obstacles and keeps challenging me. It has strengthened my relationship with Him seeing that despite my own resistance and insecurities, He has a greater plan.” -Kylee Carter

Dear Church Family

It has been a privilege for Lisa and me to serve the children and families of SPCC these past 20 years. God called us to this

place and planted our roots deep. In these years, God has used you to help us raise three lovely daughters who love Jesus and be transformed in our own lives as you have challenged us to grow. For those and many other reasons, we are eternally grateful to Jesus to have been called to minister here.

We may not fully understand why this season of our lives is closing, but God has been so good to Lisa and me in leading us very clearly to a new ministry opportunity in Bellingham. This could not have happened without God leading this transition. Lisa and I covet your prayers as we venture out from here, in many ways carrying your influence with us, as we continue to live out God's calling on our lives.

Just as our loving Father has cared for us in this time of transition, I am confident He will graciously care for you. He will never abandon you or the children of SPCC. I am convinced He has great things in store for this church, specifically for the children and families of SPCC.

I am reminded of a favorite VBS song we regularly sing in Kid Ventures. The lyrics go like this: "*My God is so Big and so Strong and so Mighty, there is nothing my God cannot do.*" God's Word shows us again and again how God overcame seemingly impossible situations and brought victory to His people. Lisa and I are confident that God is working this transition into victory for His Kingdom and for our good.

I encourage you to seek God during this time of transition for our church and seek ways to be part of the great future God is leading His church to. You will be amazed at what He can do.

Serving His Kingdom! -Pastor Duane
